<p><b>RULES</b></p>	
<p>GENERAL</p>	<p>Please refer to the 2011 BCU Sprint and Marathon Racing Handbook Rules 36-42 (applicable to the Hasler Final). They are available <a href="http://www.marathon-canoeing.org.uk">www.marathon-canoeing.org.uk</a></p>
	<p>The Hasler Final is a Group A Divisional race therefore rules 1-18 and 20-28 shall apply except rule 26 (crew boats) which is replaced by rule 40: "At the Hasler Final where crew members in doubles races are ranked in separate divisions they must race in the classification of the higher ranked paddler".</p>
<p>CLUB COLOURS</p>	<p>All competitors must wear club colours or points will not be awarded.</p>
<p>BOAT CHECKING</p>	<p>All boats must have adequate buoyancy and display your race number. Once boats have been checked they must all remain in the pre-race holding/launching area. If you are taking part in the 'B' races, do not present your boat for checking before the 'A' races have started, and likewise, if you are taking part in the 'C' races, do not present your boat for checking before the 'B' races have started.</p>
<p>PRE-RACE BOAT PARK</p>	<p>Please use the pre-race boat park for boats awaiting boat checking. Take care when carrying boats along foot paths or when crossing them and please do not obstruct foot paths with boats.</p>
<p>POST-RACE BOAT PARK</p>	<p>Please use the post-race boat park for boats that have finished racing. The timetable allows for the multiple use of boats in 'A', 'B' and then 'C' start races. Boats that are required to be re-used should, after completing one race, be immediately 'recycled' to the pre-race boat park ready to start the next boat checking cycle.</p>
<p>BUOYANCY AIDS (see rule 5)</p>	<p><b>Buoyancy aids are compulsory for Lightning single paddlers and for all competitors ranked in divisions 7, 8 and 9 irrespective of the division they are paddling in.</b> This applies to singles and doubles races. The wearing of buoyancy aids by other paddlers is at the discretion of team leaders bearing in mind the prevailing conditions on the day.</p>
